539PBHD EXTRA WIDE SHOWER CHAIR

Introduction

The Days Healthcare 539PBHD Shower Chair is a robust, height adjustable shower Chair manufactured from powder coated steel tubing and fitted with a plastic seat. It has an upholstered back and built-in side handles which offer stability and additional support to the user.

Height Adjustment

To adjust the height grasp the horseshoe clip between the thumb and forefinger and pull it out. Slide the leg in or out to the required position. Push the clip back firmly into the hole. Repeat the same procedure for the other legs making sure all four legs are adjusted to the same height.

Maintenance

The Days Healthcare 539PBHD Shower Chair is designed for minimum maintenance .

To clean, wipe over with a soft cloth. Use general purpose neutral detergent and warm water. The shower chair may be placed under running water at low pressure or showered down to assist cleaning.

Do not use harsh abrasives.

To disinfect clean as above and wipe over with solution of one thousand parts per million available chlorine disinfectant (haztabs/precept), rinse and dry.

Do not store in sub-zero temperature. Periodically check for elongated or stressed adjustment holes. Check for split, worn or loose ferrules and loose or damaged horseshoe clip.
