

Reviews

If you have difficulties getting into and out of the bath, the Archimedes bathlift maybe just what you are looking for. Here are some views of our satisfied customers:

Mrs. Boardman from Tunbridge Wells wrote to tell us:

I received my Archimedes Bath Lift on Wednesday as you promised; my husband and I are truly impressed with the quality of the product. The transit packaging is very clever! Your customer service is also efficient and so helpful. Thank you once again for a wonderful service and an excellent product. I can't tell you what a pleasure it is to be able to use my bath again.

Mrs Elliott from Co. Durham is very pleased with her Archimedes:

"I have been very satisfied with my Bath Lift. I don't know how I would have managed without it. It was worth every penny I paid for it".

"I like my new bath seat. It is easy to take with me when I visit family and friends...It's very easy to clean, not like my old one."

Mr Conway-Ryle, Kent

Mrs Hart from Edinburgh told us:

"When I phoned about buying your bath chair your office had experienced either storm damage or flooding and your computers were not working. They said they would phone back and they did. I was impressed with the good natured way they responded. Delivery time was as stated and I am delighted with my purchase. It was such a change talking to real people - not pressing buttons and consigned to a queue. Above all I can bathe in safety much to my family's relief. Incidentally by the time you get this I will be 92."

We were pleased to hear from **Mr Weaver of Nantwich**, Cheshire:

"Excellent product, much cheaper than elsewhere. Demonstrated at my convenience by friendly knowledgeable member of staff. No pressure to purchase. Product ordered was delivered within a few days and was exactly what was required."

Mrs Bartlett from Devon was delighted with her Archimedes Bath Lift and our service:

"I will be recommending you to numerous people I know who are disabled and am certainly pleased to give you the praise you deserve. The bath aid has made my life easier and given me back my independence. "

Mr P from Powys is sure the Archimedes Bath Lift will be a great boon to him and his wife. He wrote in July 2007 to tell us:

"In use there is great comfort in feeling safe when bathing. It is a fact of life that getting old has its compensations, but struggling to get into and out of the bath is not one of them! Personally I have been rather less than enthusiastic having to use the shower, but now we can once more enjoy a real soak.

The Archimedes Bath Lift is a wonderfully simple piece of equipment to use, even for an old fogey like me!"

Mrs B from West Sussex sent us a letter in January 2007 on receipt of her Archimedes Bath Lift: "Thank you for delivering the bathlift so quickly. Being able to have a bath has given me a really happy New Year."

Mr D from Hampshire wrote to us to explain that:

"As a severely disabled person, I have found your wonderful 'Archimedes' Bath Lift has enabled me to resume having an almost normal bath without my wife having to both wash me and lift me in and out of the bath. I can now do both these functions without her help, so I am specially grateful to your company for its brilliant invention."

Mr P from Newport in Wales contacted us to let us know that:

"We are delighted with our Archimedes bath lift and the service we received from the company. A very nice representative demonstrated the Archimedes to my Mother in an efficient and non pushy manner, and the product arrived promptly after our order. My Mother was struggling with bathing, and the Archimedes has made an enormous difference both for my Mother and us as carers. I wouldn't hesitate to recommend Mangar to anyone in need of bathing assistance."

Mrs R of Nantwich told us:

"The Archimedes Bathlift is so easy to fit in the bath, and simple to use when transferring into and out of the bath. Whilst providing good support the Archimedes is also visually very pleasing. The design is superb!"

"I have just telephoned my Mother to see how she is getting on with her Archimedes bathlift. She tells me that she has had yet another bath! She is absolutely delighted with her bath lift. Apart from bathing with it she has to demonstrate it to almost everyone who calls! Seriously I would like you to know how grateful I am for supplying such a superb piece of equipment."

Mr N of Herefordshire

Mr JD of Hampshire told us:

"I am a disabled person and, now I have reached the age of 84 years, I have for a number of years had trouble and difficulties when getting in and out of the bath. So it gives me pleasure to write and tell you that your 'Archimedes' Bath Seat Lift has helped me enormously in this regard - and it is so reasonably priced. I propose recommending it to my disabled friends as well as to local community outlets.

I look forward to many years of comfortable as well as pleasurable bathing."
